Please check one or more boxes before each course listed below. "Preferable" is self-explanatory; "Acceptable" means that you have taken the course or believe that you have the necessary background to be a TA for the course; "Unqualified" means that you have no background in that area or you plan to enroll in the course in Fall 2008. We will make every effort to make assignments based on your preferences, but please understand that that is not always possible.
