## **INDIVIDUALIZED INFORMATICS COGNATES**

BA or BS in Informatics

Students interested in developing individualized cognates should contact an informatics faculty advisor. Individualized cognates may be drawn primarily from one department or an appropriate mix of departments. For the Bachelor of Arts, individualized cognates require an approved set of cognate courses totaling 18-25 s.h. For the Bachelor of Science, individualized cognates require an approved set of cognate courses totaling 27-31 s.h.
