

Department of Computer Science

THE UNIVERSITY OF IOWA

EARNING A MINOR IN INFORMATICS

Effective Fall 2009

The minor in informatics requires a minimum of 16 s.h., including at least 12 s.h. in courses taken at The University of Iowa. Students must maintain a g.p.a. of at least 2.00 in the minor. Course work in the minor may not be taken pass/nonpass.

NOTE: Students earning a major in computer science or in management information systems (Tippie College of Business) may not earn a minor in informatics.

The informatics minor must include the informatics core (13 s.h.) and one statistics course (3-4 s.h.), as follows.

Informatics core--all of these:

22C:005 Introduction to Computer Science	3 s.h.
22C:080 Programming for Informatics	4 s.h.
22C:084 Databases for Informatics	3 s.h.
	<hr/>
	10 s.h.

Informatics core--one of these:

22C:082 Human-Computer Interaction	3 s.h.
22C:086 Networking and Security for Informatics	3 s.h.
	<hr/>
	3 s.h.

Statistics--one of these

22S:008 Statistics for Business	4 s.h.
22S:025 Elementary Statistics and Inference	3 s.h.
22S:030 Statistical Methods and Computing	3 s.h.
22S:039 Probability and Statistics for the Engineering and Physical Sciences	3 s.h.
22S:101 Biostatistics	3 s.h.
22S:102 Introduction to Statistical Methods	3 s.h.
22S:120 Probability and Statistics	4 s.h.
	<hr/>
	3-4 s.h.

Students may declare the informatics minor on ISIS; application triggers an audit for the minor that is available on ISIS the next day of the academic session.
