Department of Computer Science
The University of Iowa

Please note that funding priority is given to doctoral students. All of our doctoral students and a small portion of our MCS students obtain some form of financial assistance, usually as a teaching assistant. We do not provide financial support to MCS students prior to arrival on campus, nor can we guarantee any support after they arrive. Graduate students holding a quarter-time assistantship (requiring 10 hours of work per week) or greater are assessed tuition at the resident rate. Please follow this link for more information about financial aid:

<http://www.uiowa.edu/admissions/graduate/financial-assistance/index.html>. Also, see <http://www.uiowa.edu/admissions/graduate/costs/liberal-arts.html> for information on living costs. For 2009-2010, the stipend for a half-time assistantship (20 hours/week) is \$16,277 for the academic year.
